### PARENTAL CONSENT

I confirm that my child is physically fit and healthy, and I consider her capable of taking part in gymnastics sessions. I have completed the section on medical details and give consent that in the event of any illness/accident any necessary treatment can be administered. If surgery is necessary, this may include the use of anaesthetics. I confirm that I have read through the participants rules of the club with my child and WE understand and agree to abide by the rules.

In signing this agreement, I declare that I am aware of the element of risk involved and while I accept that the coaches and event personnel will take precautions to prevent accidents, I understand that they may not be held responsible for loss, damage or injury to my child.

Parents are warned that although we will take every step to ensure safety of gymnasts, every sporting activity comes with a small risk of injury. In such an event, we cannot be held liable, unless negligence is proven.

In the event of an accident I give permission for the above child to be given medical treatment if necessary.

I am aware that photographs and video footage may be taken for club/website purposes. **I do/do not consent (please delete as appropriate)** for my child to appear in photographs/video footage. I understand that no personal information will be displayed with the image.

I give permission for my details to be stored electronically, in a secure, password-protected file. I understand this registration form will be kept in a locked room when gymnastics is not taking place and that all personal records will be destroyed if my child leaves the gymnastics club.

Signed .....
